

Mu Alpha Theta

National High School Mathematics Honor Society

Sponsors: Mrs. Rooks (114) and Mrs. Luttrell (102)

Mu Alpha Theta is an organization whose purpose is to stimulate interest in mathematics by providing public recognition of superior mathematical scholarship and by promoting various mathematical activities. It is co-sponsored by the Mathematical Association of America, the National Council of Teachers of Mathematics, the Society for Industrial and Applied Mathematics, and the American Mathematical Association of Two-Year Colleges. There are over 1500 chapters in the United States and foreign countries. Colleges and major universities recognize membership in Mu Alpha Theta as an important part of the student's academic resume.

Requirements:

- Students must have completed Algebra I, Geometry, and Algebra II (at least two of them honors) with at least a 93 average in each course.
- Students must currently be enrolled in Dual Credit Algebra, Honors Pre-Calculus or a higher-level math course.
- Students must maintain behavior that is acceptable to the guidelines of AHS and have a teacher recommendation from their current math teacher. Members that are assigned to alternative school will immediately be dismissed. Members that are assigned to ISS or OSS will be reviewed by a committee on a case by case basis.
- Pay membership fee of \$25, which covers local, state and national dues. **This is a one-time fee.**
- Members are required to perform 3 service hours each semester or complete a project (see Mrs. Luttrell for details). All hours must be supervised by an AHS teacher and be math related. Failure to complete service hours will result in your membership being revoked.

If interested, please turn in application form with payment (make checks payable to AHS) to Mrs. Luttrell or Mrs. Rooks by Fri., 9/2. Bring your iPad with you and be logged into PowerSchool (the website, not the app).
